Enterprise Procurement Admission Policy v1.0

1. Supplier registration status must be ACTIVE.
2. Any CRITICAL integrity or fraud risk in the last 24 months requires rejection.
3. At least three completed orders and a 90 percent on-time delivery rate are required.
4. An ACTIVE prior or trial contract is required for standard admission.
5. Missing screening, history, or contract evidence requires additional research and replan.
6. Admission creation is an external side effect and requires explicit human approval.
